Re: MB Docket No. 04-233

Dear Ms. Dortch:

The Salvation Army, Rochester MN serves the poor and under-resourced of Olmsted County. We exist to meet spiritual, physical, and emotional needs of our area residents.

Our organization is extremely pleased with the generous coverage of Salvation Army newsworthy stories and events from our local NBC affiliate, KTTC! Tens of thousands of dollars of PSAs are done gratis every year – the primary one being for our Christmas Red Kettle campaign. On top of that, Randy Brock (Chief Meteorologist) does weekly updates during the Red Kettle season. Furthermore, in the last 6-8 months there have been numerous stories done on the following local programs we offer:

- homeless housing stories
- dental clinic coverage
- medical clinic coverage
- special fundraising events
- Thanksgiving/Christmas meal coverage
- Christmas shopping trip
- Christmas toy distribution
- Youth Band event
- And more!

KTTC serves to magnify our voice throughout southeastern Minnesota. Without their thorough coverage our community would not be aware of much of our work.

Respectfully Submitted,

Jeff Urban  
PR, Volunteer, & Special Events Fund-raising Director
